In the Drawings

The Examiner has indicated on the Office Action Summary (line 10) that the drawings filed on 02/June/2000 are objected to by the Examiner. However, the undersigned cannot find any additional explanation in the office action explaining why the drawings are unacceptable. On March 30, 2004, the undersigned called Examiner Ellington (571) 272-2178 but the Examiner did not answer her phone and accordingly, the undersigned left a voice mail message explaining that the nature of the Examiner's objections to the drawings could not be determined from the papers in the file of the undersigned. The undersigned has also closely examined the drawings of record and can see nothing, on its face, that makes the drawings deficient. The undersigned respectfully requests the Examiner to clarify the nature of the drawing objections of record.
